

Senior Project Roll-Out Worksheet

Name: _____

Brainstorm three potential senior project topics and then try to fill in the rest of the table. Ask your neighbors for ideas, look up topics on the Internet and in Google News to see what current controversies are out there you could address.

Topics	Questions	Project Ideas
Potential Senior Project Topic or Areas of Interest	Things I want to know about this topic. Debates that are unsettled. Mysteries that still need a solution	You can build something, paint something, do something in the community, etc.
Topic 1		
Topic 2		
Topic 3		

What are the pros and cons of these different topics?

Senior Project Rollout Survey Form

Respond to the following statements as honestly as you can by circling the number that best fits you. This will help me when we break down into small group work.

How sure are you about the content area (Biology, English, History) you would like to research?

I have no idea 1 2 3 4 5 Very sure

Comments

Within that subject, to what degree do you know what you would like to focus on?

I don't know 1 2 3 4 5 I do know

Comments

You know an Advisor that can help me with the specific content on which I would like to focus.

I have no idea 1 2 3 4 5 Very sure

Comments

Total up the numbers from the above exercise and write that total here: _____
