

Stakeholder Research

Name: _____

Stakeholder: _____

Describe your individual(s), group, town, city or county stakeholder. Give some background information and explain how they are affected by the spill.

What statements has your individual or have representatives of your group made about the spill?

What do they want?

What question would you ask this group or have for this individual about the spill?

How close are they to the issue? Think about how much have they been affected or how much influence do they have. Circle one of the options below.
