

Economics Electives

Name: _____

Group: _____

Over the next two weeks, I will offer more in-depth discussion on the economic topics that we have not been able to full cover as a class. Some of these sessions could be directly relevant to your economic proposal. You are not required to participate, but I want to know which topics you are most interested in. Circle the topics you want to know more about and add a star or check mark if you a particularly strong interest.
