

The Market and the Polis

Chapter 1 of *Policy Paradox: The Art of Political Decision-Making*

By Deborah Stone

Why are we reading this?

- Give you basics for understanding politics and economics
- Gives you a lot of potential topics for your paper
- Give you a lot to think about for your digital story
- Helps us with analysis for our group project
- Gives you a taste of college level political science

What do I want you to get out of it?

- Difference between the market and the polis
- Politics is messy. I want you to find your place in the mess

Options for Monday

- Activity – four corners
- Discussion
- Jigsaw
- Small group discussion
- Seminar – Whole group, fishbowl, 20-minutes
